2026-27

Issue 1

As we start a new school year, I would like to say a huge thank you for the warm welcome that Mr Shaw and I have received from children, families and staff. It has been a lovely first couple of days and we are already beginning to get to know some of you. The children have settled brilliantly, with only a few tears from some of our new children and parents but far more smiles and excitement. Thank you for the emails and messages we received over the summer. Although we have not been able to respond individually to each of them, please be assured that the relevant staff have received the information and the class teachers are happy to discuss with you at the end of the day.

As the year gets underway, we want to make sure communication is as easy as possible. Class teachers will be available on the playground at the end of each day if you have any updates, questions or concerns. They are usually the best people to speak to as they know your child and their learning most closely. If you are unable to collect your child from school, or they attend an after-school club, please leave a message with the school office and the class teacher will call you back as soon as they can. Mr Shaw and I will also be on the playground every morning, so please do come and say hello. We are always happy to answer questions, listen to ideas or simply have a chat.

I would also like to share a staffing update. Mrs Cridge has some exciting news and will soon be leaving Bosmere to start a new career. Her last day with us will be Friday 12th September. We will miss her friendly support, knowledge and experience, but we are delighted for her and wish her every success in this new chapter. Mr Shaw will become our Designated Safeguarding Lead and will continue to help families access support and guidance whenever needed.

The first two days have been a fantastic start to the year. The children's behaviour has been excellent and it has been great to see them enjoying their learning and reconnecting with friends. We are looking forward to working closely with you throughout the year ahead. Please take a look at the events section below for some advance notice of the activities we have planned. There may be some additional events we arrange but I hope I have covered the main activities below, you will receive more information about each event nearer to the date. We know that busy family lives can make it difficult to attend everything, but we hope that giving notice now will help you plan ahead and join us whenever you can. We can't wait to see what this year brings.

In the Community

If you have something that you would like to share or celebrate then please let us know by emailing admin@bosmereprimary.net and we will add it to the next issue!

Happy Weekend!

Thank you for your continued support. If you have any concerns, do talk to your child's class teacher in the first instance and if they cannot resolve the matter then a member of the leadership team will support.

Thank you for your continued support
