# Bosmere Bulletin

2026-27 | Issue 7

One more week to go until half term- this half term has flown by!

Please accept my apologies that the Bulletins have been coming out after the weekend. I'm sure you will appreciate that with how busy we have been it has been hard to meet that Friday deadline. For that reason, please expect Bulletin's to be distributed, where possible, on a Monday.

As always, I have been popping into lessons throughout the week. On Wednesday, I had the pleasure of walking one of our governors around the school focusing our attention on behaviour and maths. It was a joy to see so many respectful children enjoying their maths lessons. This year, we introduced Power Maths as our maths scheme, which seems to have already had a positive impact on maths teaching. Children in Key Stage one in particular said 'We love maths!'.

We continue to focus heavily on our 'Respect' value. I have had feedback from several parents that the conduct of some of our children outside of school has not been up to the high standards we expect with issues of swearing, anti-social behaviour and even racist words being used. If your child plays out on their own after school, please could you remind them of the behaviour we expect? We will do the same.

I look forward to seeing many of you on Friday for the Harvest Festival at St John's Church.

Children asked to design East of England Co-op bags

Well done Teddy, who made his way into the local newspaper after winning a competition to design a bag for the Co-op last year. Teddy is the face of this year's competition- if any children would like to join the competition this year, then head down to the Co-op.

Thank you for your continued support. If you have any concerns, do talk to your child's class teacher in the first instance and if they cannot resolve the matter then a member of the leadership team will support.

Thank you for your continued support
